Hot Stars has teamed up with BitterSweet Partnership to offer readers the chance to win the ultimate girls' night in, featuring £200-worth of pampering goodies, a Nintendo Wii and game, plus your very own butler to serve food and beer-based cocktails!

Yes, that's right, beer cocktails! BitterSweet Partnership is challenging stereotypes that say beer is for boys, is only drunk in pints and is fattening.

Beer cocktails can add a unique twist to a girls' night in – plus, half a pint of beer has the same number of calories as a

175ml glass of white wine (source: www.calorieking.com), but usually with lower alcohol content.

So why not go for something a bit different and surprise the girls with your beer-serving butler.
